1st May 2012

ON LINE MEMBERSHIP

Visit http://www.cronullasc.com and follow
the Membership Link on the Front Page

Dear Members,

Commencing in May 2012 the Cronulla Sailing Club will be operating an Online Membership program.

This will be for all membership renewals, new, junior, social and life memberships along with various race fees. Rack, hardstand and mooring fees will continue for the next 12 months via the existing manual CSC Invoice process.

For sailing and boat owner members please complete all Personal Information, Emergency Contact and Yacht Information fields as this information will replace all previously held information. Most fields are compulsory requiring information to be entered. If required, please place N/A and return when the information is available.

For all members please ensure that your e-mail address is correct as we will be making more member specific contact via e-mail during the coming seasons. If at any time your e-mail address or any other details change please log back in and amend your details.

For life members even though membership fees are not applicable, sailing fees may be and also your details are important.

All CSC memberships will first be granted Pending Status, then after acceptance by the Board of Cronulla Sailing Club your status will be updated to Approved. You will be notified via your nominated e-mail address of the status of your membership as it is created and subsequently updated. Membership cards will be available for collection approximately 6 weeks after approval. These will be available from the sailing office during the Winter Series and from the door on Friday nights during summer.

Please note that all Personal Information gathered as part of our on line membership program will remain accessible only to the Administrative Subcommittee of the Board of the Cronulla Sailing Club and will not be provided to third parties for marketing purposes. All Yacht and Emergency Contact information will be accessible by the Sailing Committee only.

If you are experiencing problems with any aspect of your membership application please contact us via e-mail in the first instance at secretary@cronullasc.com.

Remember visit http://www.cronullasc.com and follow the Membership Link on the Front Page
